| To:  | oject: a couple other fact checks  |
| l kn | ow you probably won't be able to check this until Monday, but there are two other things I wanted to fact check on   |
| the  | gym: told that on runs. Director Petraeus's security detail hands him bottles of water, relay-style, so as not to slow him   |
| day  | vn. And you mentioned the director's running a 6-minute mile, but I was told that the agency-wide invitation was t if you could run a 7-minute mile, you can come run with the director. I wanted to make sure both are is accurate. |
|      | the chart, it's accurate to say that the congressional gym and the Pentagon gym ranked high, right?  |
| And  | I I was just told that the facilities at the black sites were better than the ones at CIA. Don't know whether that's nething you want to weigh in on, but I thought I'd see if you did.  |
